With a foreward by shaman Christina Pratt, in the revised second edition of this bestselling fantastical memoir, Kelley Harrell chronicles a modern shamanic journey from pain, to healing and accepting a calling to work as a soul healer of others. Groundbreaking at the time of its first publication in 2004, still no other modern shamanic work shares an experience of soul healing told from within the shamanic narrative, bringing relatable and credible insight to contemporary soul healing. Through that rare glimpse into her experiences traversing the spirit world, Harrell's story becomes the reader's adventure. Not always easy to read, there are unflinching passages examining hurtful childhood memories, confrontations with overzealous spirit guides, and challenging personal obstacles she must overcome in order to heal.

A complete owner's guide for owners and enthusiasts of Toyota's MR2, one of the most successful mid-engined sports cars ever built.
