The song is composed by the Composer Brothers, Flat and Sharp. Assigned by the Royal Family of Hyrule to study the mystic powers of the family, this melody is the result of Flat and Sharp each studying a different song: one to summon the sun, and another to summon the moon.. The "Sun's Song" can be learned from entering the Royal Family's Tomb in the Graveyard of Kakariko Village.

A voice in the wind sings on . . . Shard is a gryfon entrusted with a great responsibility. A dragon of the Sunland has left her newborn kit to his care, and now Shard has difficult decisions to make about how best to keep the swiftly growing dragonet safe, while remaining true to his own destiny and the prophecy of the Summer King. He sets out to return the dragonet to his kin in the Sunland and find help for his own quest, but his hope for making wise and benevolent allies is quickly replaced with the reality of cold, mistrustful dragons who want nothing to do with gryfons, Shard, or his wars in warmer lands. In the Silver Isles, the warrior gryfon Caj sets out on a dangerous hunt for his mad wingbrother, Sverin, once the mighty Red King. The safety of the pride, and in the end, Caj's life, may depend on his success or failure. Meanwhile, Shard's wingbrother Kjorn seeks to find him and reconcile, and his quest will take him across the land that was once his birthright and into the heart of tricky alliances, enmities, and the ever-looming threat of the Voiceless, fear-mongering wyrms. The Song of the Summer King promises that one will rise higher, one will see farther, and his wing beats will part the storm . . . but as Shard learns more of the world and the tangled threads of fate, he begins to fear that no one can part the storm of growing hatred and fear--not even a Summer King.

Shard is a gryfon in danger. He and other young males of the Silver Isles are old enough to fly, hunt, and fight--old enough to be threats to their ruler, the red gryfon king. In the midst of the dangerous initiation hunt, Shard takes the unexpected advice of a strange she-wolf who seeks him out, and hints that Shard's past isn't all that it seems. To learn his past, Shard must abandon the future he wants and make allies of those the gryfons call enemies. When the gryfon king declares open war on the wolves, it throws Shard's past and uncertain future into the turmoil between. Now with battle lines drawn, Shard must decide whether to fight beside his king . . . or against him.

Second Edition of the beloved Song of the Summer King, with brand new cover art by illustrator Jennifer Miller! ONE WILL RISE HIGHER . . . Shard is a gryfon in danger. He and other young males of the Silver Isles are old enough to fly, hunt, and fight--old enough to be threats to their ruler, the red gryfon king. In the midst of the dangerous initiation hunt, Shard takes the unexpected advice of a strange she-wolf who seeks him out, and hints that Shard's past isn't all that it seems. Now with battle lines drawn, Shard must decide whether to fight beside his king . . . or against him.

Shard is a gryfon in exile from the pride of the Silver Isles. After learning of the injustices wrought by the Red King he once served loyally, Shard now seeks to fulfill the promise of the legendary Summer King, who is destined to bring peace and balance when he appears. Shard's quest will take him across the sea to the homeland of the gryfons who conquered the Silver Isles, into a web of new allies and new enemies, winged and wingless alike. There he will learn of the fierce enmity that drove the Red King and his pride from their homeland, and the deadly grudge stretching back two generations that, if left unfinished, could destroy them all.

The first book in the award-winning Summer King Chronicles. A great read for fans of Wings of Fire, Warrior Cats, and the Lion King. As the last of his kind in a gryfon pride ruled by the conquering Red Kings, Shard has always known his destiny is merely to survive. He must strive to keep up with larger, stronger, crueller gryfons in order to earn his place as a warrior, or face exile. While on the dangerous initiation hunt that will either make or ruin him, Shard desperately takes the unexpected advice of a strange she-wolf who seeks him out, and hints that Shard ' s past is not all that it seems. Drawn to learn more, Shard risks the future he wants by making allies of creatures most gryfons call enemies, and learning ancient skills forbidden by the conquering kings. Secrets of his family, the Conquering, and perhaps even his own destiny begin to reveal themselves. When the gryfon king declares open war on the wolves Shard has befriended, it throws his past and uncertain future into the turmoil between. Now with battle lines drawn, Shard must decide whether to fight beside his own king . . . or against him.

Ren is a young gryfess on the verge of initiation into the Dawn Spire pride. She comes from a distinguished line of huntresses, and is expected to follow in their

path. Unfortunately, the only thing Ren is interested in hunting is knowledge. When her curiosity over a mysterious discovery costs her the initiation hunt, her mother banishes her from the family den. Devastated, Ren is determined to redeem herself. Her chance comes when she takes part in an exchange of young gryfons and journeys to the Silver Isles. Instead of adventure and fellowship, Ren and the others find a pride suffering strange calamities, and a deadly, sweeping illness that has driven them from their home island. Gryfons are dying, and Ren sets out to find answers. She thinks the disasters and the illness might be connected to her discovery at home, and if she 's right, she could save the pride. But if she's wrong, they will all pay the price.

Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house.

Shard is a gryphon with a great destiny, and desperate to stop a war. He is hampered on his path to peace by would-be allies, old enmities and grudges between clans of creatures, and the ever-looming threat of the fear mongering wyrms. Everyone believes that Shard is the legendary Summer King, that he alone can make the wyrms see reason and stop their violent marauding before more lives are sacrificed. But when he uses newfound powers to try communicating with their leader, he only ends up making things worse. When the wyrms make a surprising move by attacking where Shard least expects it, he knows he must be willing to sacrifice anything-and everything-to stop them once and for all.

The Newbery Medal-winning tale of an orphan boy whose dream of becoming a master potter leads to unforeseen adventure in ancient Korea. Tree-ear is an orphan boy in a 12th-century Korean village renowned for its ceramics. When he accidentally breaks a delicate piece of pottery, he volunteers to work to pay for the damage. Putting aside his own dreams, Tree-ear resolves to serve the master potter by embarking on a difficult and dangerous journey, little knowing that it will change his life forever. “ Intrigues, danger, and a strong focus on doing what is right turn a simple story into a compelling read. . . . A timeless jewel. ” – Kirkus Reviews, Starred Review
