Summary of ADA Guidance

During the COVID-19 Crisis

The COVID-19 pandemic, caused by coronavirus (SARS-CoV-2 virus), has caused major disruption in the lives of dental teams in the USA. ADA and many state dental associations have urged dental offices to treat only emergency patients; some states or local governments have mandated this.

Summary of ADA Guidance

During the COVID-19 Crisis

The current American Dental Association (ADA) recommendation for dentists to keep their offices closed to all but emergency care expires on April 6. The new interim recommendation from the ADA is that dentists keep their offices closed to all but urgent and emergency procedures until April 30 at the earliest.

Disabilities Act (ADA) became law in 1990. The ADA is a civil rights law that prohibits discrimination against individuals with disabilities in all areas of public life, including jobs, schools, transportation, and all public and private places that are open to the general public. The purpose of the law is to make sure that people with disabilities have the same rights and opportunities as everyone else.
