A good but selective history of the in-between period of late Romanticism and early Modernism.

Selective in focus (talks almost

exclusively about

Wagner & Brahms, leaving out truly transitional figures

like Strauss and

Mahler).

Writings, artwork and architecture are elaborate and

colorful, evoking deep feelings.

Modernism is a philosophical response to

romanticism and focuses on the roles science and

technology play in society.

contemporary times,

the term romanticism

when it comes to

music refers to that

period roughly

between 1810 and

1900 when there was
a revival for the need
to listen to
'medieval' music.

It is interesting to
note that though this
may be the case,
historians are yet to
agree on the actual
time when this music
was rekindled.
