still recovering from the depredations of the Civil War and the Reconstruction that followed, recognized it as a North vs. South encounter, pitting New York ' s powerful thoroughbred Tom Ochiltree and New Jersey ' s Parole—owned by the ostentatious Northern tycoons Pierre and George Lorrillard—against the already legendary “ Kentucky crack, ” Ten Broeck—owned by the teetotaling, plain-living Frank Harper and ridden by black jockey and former slave William Walker—representing a former slave state and its Southern values. The race and the colorful cast of characters involved reflected the still seething America during one of the nation ' s most difficult and divisive periods. Shrager presents a fascinating and heart-pounding piece of history exposing the racial and economic tensions following the Civil War that culminated in one final race to the end.

mean, that there is a time for every purpose of a man to Be and if God made the man, there is a moment in time for his existence. The Word of God is true; one day there will Be Time no more. We as human Being's are made by God, and we only have a season or a short amount of time to BE on the Earth. It is very important that we realize life is a continuation of seasons that change with life as pressures and joys come to try our character. How you handle your seasons will determine your time and duration of those seasons. The word BE Time came from the word Betimes, which is in the Bible five times. Betimes is a chapter which will articulate how that you cannot have a BE Time in your life without demonstrating your BE. Your BE has to be acted out through your Being. In the process of BE, your BE becomes your Being. Once your BE is Being acted out, then your BE is Beginning to demonstrate and translate from your thinking to reality in life.

For example, I wrote It's BE Time, then once I re-read the book, I Became while reading and re-writing my own book. What happened? I was saying through the book, that my Being was to BE a Prophetess to Hollywood. Then after I had written Chapter Seven on Transition, I began to Prophecy to myself and several of Hollywood's A-List Stars, such as Beyonc , who is known as the Queen "BEE," Oprah Winfrey, Paris Hilton, Kanye West, the Jackson Family, Nick Cannon, Pharrell, and many more. This eight-year process of Becoming Peggy Sue Cooper the Author and aka 1st Lady Momma P is captured in the book, to encourage every man to step into their own Being.
