THE HOUSE-FLIPPING HOW-TO THAT TURNS EVERYDAY PEOPLE INTO ENTREPRENEURS

Everyone likes the idea of turning the ugliest house on the block to the best house on the block and making a profit. Until now a system has not been shared on how to successfully complete this task on time and budget without getting your hands dirty. This book not only cracks the code but shares the proven path and system to have a systems based rehab business that makes consistent profits for ordinary everyday people. *The Real Estate Rehab Investing Bible* reveals the lucrative seven-stage system that allows author Paul Esajian, and his students all across North America, to manage multiple rehab projects at once, while staying on time and under budget to build and grow their wealth. No experience? No problem. You'll learn strategies to find the right properties, negotiate the right offer, identify the right licensed and insured contractor for the job, and get the property sold to a happy homeowner for a profit. No capital? No problem. You'll learn how you can use other people 's money to fund your deals and the IRS guidelines that help you keep more of the money you make. By learning and leveraging the principals of rehabbing and real estate, you'll start thinking like a business owner rather than a consumer. Breaking into residential real estate provides an amazing opportunity for those with little, or no experience, and using other people's money. This book gives you the information, education, and systems every investor needs to start flipping and rehabbing houses without doing the work yourself, and without losing your shirt to contractors and bad investing decisions. Find Deals: where and how to find deals, analyzing deals, and estimating repairs in minutes to acquire a rehab Fund Deals: where and how to borrow money, creative financing, and the finance request template to present to asset based lenders and private lenders to fund your deal Fix Deals: how to run a rehab with a proven system without lifting a hammer, identify A+ licensed and insured contractors at wholesale pricing, and what to focus on to maximize your profit Flip Deals: how to properly price, stage, and add the sizzle features to get properties sold within weeks of listing the property by properly analyzing comparables and staging the rehab properly The proven techniques Paul shares work in any location, in any market. If you're ready to get in the game, *The Real Estate Rehab Investing Bible* teaches you how to play.

An engaging guide to excelling in today's venture capital arena Beginning in 2005, Brad Feld and Jason Mendelson, managing directors at Foundry Group, wrote a long series of blog posts describing all the parts of a typical venture capital Term Sheet: a document which outlines key financial and other terms of a proposed investment. Since this time, they've seen the series used as the basis for a number of college courses, and have been thanked by thousands of people who have used the information to gain a better understanding of the venture capital field. Drawn from the past work Feld and Mendelson have written about in their blog and augmented with newer material, Venture Capital Financings puts this discipline in perspective and lays out the strategies that allow entrepreneurs to excel in their start-up companies. Page by page, this book discusses all facets of the venture capital fundraising process. Along the way, Feld and Mendelson touch on everything from how valuations are set to what externalities venture capitalists face that factor into entrepreneurs' businesses. Includes a breakdown analysis of the mechanics of a Term Sheet and the tactics needed to negotiate Details the different stages of the venture capital process, from starting a venture and seeing it through to the later stages Explores the entire venture capital ecosystem including those who invest in venture capitalist Contain standard documents that are used in these transactions Written by two highly regarded experts in the
