LA Noir: The Struggle for Art and Change in Southern ...

L.A. Noir is part story of the early 20th century LAPD, part biography of two men situated on opposite ends of the law: William Parker and Mikey Cohen, the Police chief and the gangster. It is also the story of the struggle for the control of Los Angeles itself, presenting the City of Angels at the dawn of the 20th Century as a veritable cesspool of corruption enabled by an enfeebled police department which haplessly fell under various corrupting influences of whatever powers happened to be ...

The two eventually became bitter enemies in a struggle for the soul of the city. For most of the time period covered, the LAPD resembled a mercenary army, subject to being bought off or bribed by one mob faction or another. Los Angeles was a wide open city, where crime flourished and no one tried too hard to bring the Syndicate to heel.
