The use of inspiring pedagogical technique and the extensive teaching and practical experience of the authors in the field of financial planning sets this book apart. The theoretical and conceptual foundation of each major planning topic is first presented and then brought to life by skillfully weaving it through real-life cases and practical illustrations. The authors have taken special efforts to make the book user-friendly and relevant for the CFP® designation aspirants.

The journey to financial freedom starts here! Kapoor/Dlabay/Hughes/Hart's market-leading Personal Finance provides practical guidance on how students can achieve peace of mind with regard to their financial situation. It provides many financial planning tools to help students identify and evaluate choices as well as understand the consequences of decisions in terms of opportunity costs. And now, McGraw-Hill Connect empowers students by continually adapting to deliver precisely what they need, when they need it, and how they need it, so your class time is more engaging and effective.

A comprehensive text for CFP(R) aspirants and a must-have companion for financial planners.

The Art of Practicing and the Art of Communication in Financial Planning is a rare collection of 80 essays on what constitutes the art of practicing financial planning and the art of communication in financial planning. The contributors represent the best brains in the financial planning profession. The insightful articles will help planners to effectively use their technical skills toward ensuring their clients' financial success and well-being. The book can be used as a supplement to Practicing Financial Planning: For Professionals and CFP® Aspirants (12th Edition) published in 2016 by SAGE Publications.
