Expert instruction from the makers of the Praxis The Praxis Series: The Official Guide comes straight from Educational Testing Service (ETS)--the people who make the test. If you need to take these state-mandated teacher licensing exams, this book gives you complete information about the entire Praxis series. This book includes a complete Praxis I: PPST exam review. Six full-length, authentic PPST tests are provided in the book and also in interactive format on CD-ROM. You will also find authoritative information about the Praxis II Subject Assessments, the Principles of Learning and Teaching (PLT) exam, and much more.

This book explicates the process of critical border praxis and establishes the need for dialogic border crossings. It also articulates how the creation and development of third spaces allow for the convergence of transborder negotiations within educational and political spheres.

This Handbook reviews a wealth of research in cognitive and educational psychology that investigates how to enhance learning and instruction to aid students struggling to learn and to advise teachers on how best to support student learning. The Handbook includes features that inform readers about how to improve instruction and student achievement based on scientific evidence across different domains, including science, mathematics, reading and writing. Each chapter supplies a description of the learning goal, a balanced
