Written 100 years ago, *The Art Spirit* by Robert Henri is most influential book for artists, and especially American artists. It still remains one of the best selling books on art and creativity, and it attracts new readers with every generation. Henri with the assistance of Margery Ryerson prepared this book from four decades of his lecture notes and hundreds of letters to students and friends. *The Art Spirit* deserves to be in every artist's library. Although Henri offers practical advice on painting, the book is not just about how to do art, but how to become an artist. For Henri, there was no greater human ambition than to be an artist. Although Henri's own life was not without challenges, especially financial ones, he does not dwell on his personal adversities. The book is a glorification of the artist's life, and how mundane difficulties pale to the joys of the artistic life. *The Art Spirit* provides insights into the mind of one of America's most influential artists and teachers, and the reader-artist comes away with an uplifting sense in what it means to be a part of the great "Brotherhood" of art. One of the problems of the original edition was that Henri was a frequent name-dropper. In this new edition, names and terms are annotated along with illustrations, making the read more informative and enjoyable. It is the best of *The Art Spirit*

writers from the novice stage to becoming dedicated authors, something that Carol Rottman achieved when she put aside all other "paying work" to write full time. Included in these pages are insight and practical tips on such topics as: Writing Realism: "Take yet another scroll, and write on it all the former words that were on the first scroll ..." (Jeremiah 36:27). Popular media have romanticized writers' lives to be devoted entirely to making beautiful stories. *Writers in the Spirit* explains the practical issues that writers face and shows how it is possible to overcome dry spells, endless revisions and even self-doubt. Writing with Fervor: Much of the Apostle Paul's writing was done in prison. Paul's passion to win people to Christ overcame any obstacle. While many new writers feel restrained, *Writers in the Spirit* shows how to find the passion that fuels the writing process. Writing in the Spirit: "This is what we speak, not words taught by human wisdom, but in words taught by the Spirit ..." (1 Corinthians 2:13). Rottman shows that a personal relationship with God is the best source of inspiration. Mediating on God's word will yield creativity from the Creator. "Many of us are called as witnesses to the life-experiences God has entrusted to us. If your witness takes the form of the written word, this book will go with you as a trusted companion traveling the same path." - Former President Jimmy Carter Author, Statesman, and Thirty-ninth President of the United States "'Writers in the Spirit' helps connect me to God while reminding me that writing is a gift from Him and a calling to be both treasured and nurtured." - Sally Stuart, Editor, *Christian Writers' Market Guide*

mediations that serve as claim, ground, warrant, qualifier, rebuttal, and backing in an argument about collaborative spirit-writing for social justice. Each entry provides evidence of encounters of possibility, collated between the authors, for ourselves, for readers, and society from a standpoint of individual and collective struggle. The entries in this Black performance diary are at times independent and interdependent, interspliced and interrogative, interanimating and interstitial. They build arguments about collaboration but always emanate from a place of discontent in a caste system, designed through slavery and maintained until today, that positions Black people in relation to white superiority, terror, and perpetual struggle. With particular emphasis on the confluence of Race, Racism, Antiracism, Black Lives Matter, the Trump administration, and the Coronavirus pandemic, this book will appeal to students and scholars in Race studies, performance studies, and those who practice qualitative methods as a new way of seeking Black social justice.

"How an illiterate farm worker in rural Georgia rose to become an artist of international acclaim is the story of Mary Padgelek's *In the Hand of the Holy Spirit: The Visionary Art of J.B. Murray*. Padgelek tells Murray's fascinating story and analyzes his art and spiritual message. Throughout history the visionary artist has sought to offer a glimpse of the eternal in the midst of a temporal world. This book unveils the symbols, impetus, and meaning of Murray's art. Padgelek shows how this fascinating folk artist expressed his perceptions of eternity and offered a redemptive metaphor for spiritual healing, regeneration, and ultimate salvation."--BOOK JACKET. Writing and the Spirit is a trove of reflections on the attitudes, habits, and practices that lead to inspiration. Learn to: Be Ridiculous, Loathe B.S., Love Like Whitman, Get Free, Pursue Beauty, Become Who You Are, and Behold the Secret of Art. “The themes of Ken Kuhlken’s vignettes kept drawing me in: being humble in writing, being generous with giving yourself away, getting quiet in order to write, and how to create a masterpiece that will change someone’s life.” Philip Yancey, award-winning author of over 20 books, including *Where Is God When It Hurts?* and *What’s So Amazing about Grace?* philipyancey.com “Writing and the Spirit is a handbook of writerly wisdom that anyone who hopes to change the world must read. Ken Kuhlken speaks with all the ease of a friend on your couch. An ingenius, multiple-PhD-holding, wise-man sort of friend, in case you have one of those. The pages are rich with observations from the world about us, writers in history and his own experience (failures and triumphs). He examines the (inner and outer) confrontations all writers must engage with in order to produce meaningful work. Among them are the nature of inspiration, imagination, and how not to be a hack. He also covers the downright nitty-gritty of the thing – the practical conditions that we all strive for and against in order to produce our art.” Anastasia Campos, writer and photographer. anastasiacampos.com
