Gregory the Great was pope from 590 to 604, a time of great turmoil in Italy and in the western Roman Empire generally because of the barbarian invasions. Gregory's experience as prefect of the city of Rome and as apocrisarius of Pope Pelagius fitted him admirably for the new challenges of the papacy. The Moral Reflections on the Book of Job were first given to the monks who accompanied Gregory to the embassy in Constantinople. This sixth volume, containing books 28 through 35, provides commentary on five chapters of Job, from 38:1 through 42:17. The present volume contains the Lord's appearing to Job out of the whirlwind, the Lord's two lengthy speeches to Job and Job's responses, and, finally, the Lord's rebuke to Job's friends and restoration of Job's fortunes. Finally, Gregory speaks of his intention in writing this long work and requests that his readers grant him their prayers and tears. Includes comprehensive indexes for volumes 1-6.

The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.
