A sexy standalone second chance romance between a single dad athlete and the woman who got away! Things that suck on my wedding day -- walking in on my groom kissing another woman twenty minutes before the ceremony. Things that suck worse? The woman he's kissing is my mom. I head straight for the bowling alley bar down the street and ask for a double. And in walks a deliciously charming local football hero -- Harlan Taylor. Yes, I'll take another drink in the form of a one-night stand with this hunk of a man. In the morning, he asks if I want to get together again. More rebound nookie? Yes please! But then I learn his football team just hired my yoga studio to teach downward facing dog to their star player, making my O-delivering hottie officially off limits. Trouble is, the more time I spend working with the sexy single dad who dotes on his daughter, the more I'm feeling all the things far too soon. There's no way this can end well, but tell that to my runaway heart... A Wild Card Kiss is a sexy, flirty sports romance featuring a charming, pie-baking, single dad who's never forgotten the red-hot kiss he planted on the feisty, sassy blonde one night years ago and a jilted bride heroine determined to move on from heartbreak. This story contains sexy times that can cure getting-left-at-the-altar blues, and heart-tugging swoony romance that'll melt the most jaded hearts.

“YOU’RE IN BIG TROUBLE. DOLL.” The little hacker stole from the Family—hundred fifty grand. We Tacones don’t take kindly to thieves. Not even when they come in a package as cute as hers. Not even after she shows me how high her freak flag flies. Now there will be hell to pay for my hot geek. And I’m the one coming to collect. But when she ends up in jail for the transaction I ordered her to make I decide to bail her out. Because she’s a wildfire. A force of nature too bright to be put out. And I don’t need the money. I’d rather have her. Note: This steamy stand-alone romance is the last in USA Today bestselling author Renee Rose’s Vegas Underground series. No cheating, no cliffhangers.

Soon to be a show on Hulu! Rights to develop Wild Cards for TV have been acquired by Universal Cable Productions, the team that brought you The Magicians and Mr. Robot, with the co-editor of Wild Cards, Melinda Snodgrass as executive producer. Snodgrass, Lewis Shiner, and more—plus two completely new stories from Kevin Andrew Murphy and bestselling author Carrie Vaughn. Forty years after the Wild Card Virus’s release, the World Health Organization decides it’s time to take a delegation of Aces, Jokers, politicians, and journalists on a fact-finding mission to learn how other countries are dealing with the virus that reshaped humanity. Leading the team is Gregg Hartmann, a senator with presidential aspirations and a dangerous ace up his sleeve. Joining him is a menagerie of some of the series’ best and most popular Wild Cards, including Dr. Tachyon, aces Peregrine and Golden Boy, and jokers Chrysalis, Troll, and Father Squid. From the jungles of Haiti and Peru to the tumultuous political climate of Egypt, from a monastery in Japan to the streets of the most glamorous cities of Europe, the Wild Cards are in for an eye-opening trip. While some are worshiped as actual gods, those possessing the most extreme mutations are treated with a contempt that’s all too familiar to the delegates from Jokertown. New alliances will be formed, new enemies will be made, and some actions will fulfill centuries-old prophecies that make ripples throughout the future of the Wild Cards universe. That hot guy tied to Lissianna Argeneau’s bed? He’s not dessert—he’s the main course! Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. But there’s another, more pressing issue: her tendency to faint at the sight of blood...an especially annoying quirk for a vampire. Of course it doesn’t hurt that this man has a delicious-looking neck. What kind of cold-blooded vampire woman could resist a bite of that? Dr. Gregory Hewitt recovers from the shock of waking up in a stranger’s bedroom pretty quickly—once he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor to find true love with a vampire vixen, or will he be just a good meal? That’s a question Dr. Greg might be willing to sink his teeth into...if he can just get Lissianna to bite.

The next anthology in George R. R. Martin's ongoing Wild Cards alternate-history series, Three Kings. In the aftermath of World War II, the Earth’s population was devastated by an alien virus. Those who survived were changed forever. Some, known as jokers, were cursed with bizarre mental and physical mutations; others, granted superhuman abilities, became the lucky few known as aces. Queen Margaret, who came to the English throne after the death of her sister Elizabeth, now lies on her death-bed. Summoning the joker ace Alan Turing, she urges him to seek the true heir: Elizabeth's lost son. He was rumored to have died as a baby but, having been born a joker, was sent into hiding. Margaret dies and her elder son Henry becomes king and at once declares he wants to make England an "Anglo-Saxon country" and suggests jokers be sent "to the moon." Dangerous tensions begin to tear the country apart. The Twisted Fists—an organization of jokers led by the Green Man—are becoming more militant. And Babh, goddess of war, sees opportunities to sow strife and reap blood... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
